

KZF Design an Interior Design Giant
for 23rd consecutive year

Taft Center, Cincinnati, OH

KZF Design has again been ranked as one of the nation's Interior Design Giants by *Interior Design Magazine* in its July 2009 issue, jumping 15 places from last year.

The KZF Design Workplace Design Studio owes this honor to our clients, who have helped make KZF an Interior Design Giant every year for the past 23 years. We congratulate our design professionals and staff for their unwavering dedication to delivering inspired design solutions that consistently exceed expectations.
