

KZF Design Presenting at 2009 Ohio Transportation Engineering Conference (OTEC)

presentation

KZF Design and HC Nutting discuss their work on the Winton Woods East Bridge Abutment Remediation for the Hamilton County Park District at the 2009 OTEC Conference. The presentation focuses on the remediation solutions used to mitigate lateral and vertical displacements. **Come to the OTEC Innovative Geotechnical Solutions session, Wednesday, October 28th at 1:00PM.**
