

### KZF Design Gratefully Honors U.S. Military on Armed Forces Day, May 15, 2010

KZF Design sends our thanks to American military personnel around the globe for their sacrifices on our behalf.

In celebrating the 61st annual Armed Forces Day, the design professionals at KZF honor those who put honor, duty and country before self and stand "United in Strength" today and every day.

KZF's commitment to our Armed Forces is reflected in the way we design modern military facilities and in our volunteerism. KZF is a founding sponsor of the Armed Forces Ticket Association (AFTA)-Cincinnati, and has been an active supporter of AFTA's mission since its inception. Through our design services on projects located across the hemisphere and our support of AFTA, KZF proudly serves the men and women who serve our nation.
